# HYDRO Hose Humper

## Description

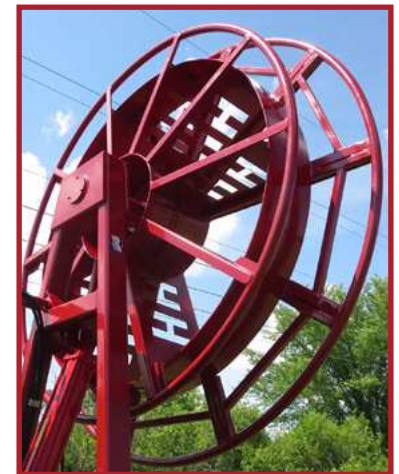

Hydro Engineering has developed a new hose humper that can realign 6" & 8" hose. The humper is attached via quick hitch for easy removal and attachment to a tractor.

## Specifications

- 6 - 8" hose placement
- Spindle and hub have 20,000 lb. capacity
- Able to be vertically raised behind the tractor
- Quick hitch attachment.

# HYDRO ENGINEERING

301 Industrial Blvd, Norwood Young America, MN 55397

The Hydro Engineering hose humper can be raised to a vertical position (*seen left*) allowing for a hose cart to be pulled behind at the same time.
